Submission forms with the design template will be in our education room, alongside the necessary supplies, starting March 3, and designs must be turned in to the front desk by March 31. We will announce the winner on April 11.

Design Guidelines

The design must consider the following:

1. **Design:** Your design should be centered around the logo.
2. **Colors:** You may use a maximum of 3 colors for your design from this year's color palette: dark green, lime green, light blue, and light purple.
3. **Size:** The artwork should fit within the box on the shirt to ensure it fits on the shirt properly - don't worry, the box will not be printed on the shirt!

How will the design be used?

By submitting your child's design, you agree that the artwork may be used in promotional materials for the Museum of East Texas. The Museum reserves the right to edit, modify, or adapt the design as needed for printing, formatting, or promotional purposes.

How do I submit the design?

Turn in your design to the front desk by March 31. Make sure your first name and age is on the paper so we can share the winner on our social media! Winner will be announced on April 11.

How do I get a shirt?

Students enrolled in Art Camp by April 30 will get a free shirt with their purchase. Shirts will be available for pick up by the start of Art Camp.
